THE LOST COLONY:

*

*

*

*

SETTLED BY:

Joint stock companies financed colonies by having investors pay a share (portion) of the cost. Profits (and losses) were shared by all of the investors thus lessening the risk.

WHEN:

WHERE:

“Houston, We have a Problem/s”:

- 1.
- 2.
- 3.
- 4.

Only 38 of the 150 settlers survived the first winter.

Swamps are breeding grounds for mosquitoes and all of the diseases they carry. Plus, it's always a bad idea to go to the bathroom right next to where you get your drinking water.

NO WORK,

WHEN:

WHAT HAPPENED:

*

*

*

Despite what you might think, the rebellion had nothing to do with pigs. Instead it about people being upset with the government of Virginia.

SETTLED BY:

WHEN:

WHERE:

LORD BALTIMORE:

Maryland was settled as a **PROPRIETARY COLONY** like New York and Pennsylvania. This meant that the owner of the colony was the ruler, not the British king or queen.

Color in the location of Maryland.
